Just a single mom raisin up the kids

Little Tommy's seven now and her daughter Justine just  
turned ten

Pinchin every cent laughin and lovin and content

You would never think a couple years ago she almost  
let her job,  
Her kids, her mind, her life go up in smoke right there  
on the edge  
Right before the fall

Chorus

Somebody said a prayer somebody had some faith  
Somebody finally hit their knees and asked for help for  
heavens  
Sake somebody finally found someone who really  
cares somebody  
Said a prayer

He was seventeen and his heart was broke.  
The middle of the night, a bottle full of pills, and a  
goodbye note  
Sittin on his bed, but then he bowed his head. Now I see  
him every  
Week and every now and then he talks about that night.  
And the peace that came over him talk about a sign.  
Can I get an amen well there were tears on his face he  
said look  
What happened lord

Chorus

Somebody said a prayer  
Somebody had some faith somebody finally hit their  
knees and  
Asked for help for heavens sake somebody finally  
found someone  
Who really cares  
Somebody said a prayer

\*Repeat chorus

Can I get an amen Ohhhhhhhh

Can I get an amen Ohhhhhhhhhh

Somebody somebody said a prayer somebody said a  
prayer somebody somebody said a prayer
