Iâ€™m growin up too fast
I never thought itâ€™d last another day
But
But when I try to stay
You turn away
I donâ€™t need to hide my feelinâ€™s
That just leaves my senses reelin'Youâ€™re not sure you
know me well
But I bet you know the answer when you tell me
Think about it, I think Iâ€™m in love
You better think about it. I think Iâ€™m in love.
Think about it, Think about it, Think about it all the time,
all the time baby
Givin'it up, givin it up, givin up the fight
I think Iâ€™m in love
I think Iâ€™m in love (I think Iâ€™m in love)
You always look your best
Itâ€™s like a constant test of my restrain
My intentionâ€™s clear
But your obsessive fear is always plain
I got complications too
I donâ€™t know what to say or do
I can see them gettin'in the way
But I get so crazy when I hear you say
Think about it, I think Iâ€™m in love

You better think about it, I think Iâ€™m in love.
Think about it, Think about it, Think about it all the time,
all the time baby
Givin'it up, givin it up, givin up the fight
I think Iâ€™m in love
I think Iâ€™m in love
I think Iâ€™m in love
I got complications too
I donâ€™t know what to say or do
I can see them gettin'in the way
But I get so crazy when I hear you say
Think about it, I think Iâ€™m in love
You better think about it, I think Iâ€™m in love.
Think about it, Think about it, Think about it all the time,
all the time baby
Givin'it up, givin it up, givin up the fight

And I think about it,I think IÂ'm in love
And I think about it,I think IÂ'm in love
And I think about it,I think IÂ'm in love
And I think about it,I think IÂ'm in love
And I think about it.....
