Every single day I think of the times when you were still
mine

And I knew, gotta get away, get you out of my mind

IÂ'm caught up in time and IÂ'm blue

I donÂ't miss all the fun that we had

You were always around me

Where are you now

I need you now

If you were around it would be alright

Livin'on my own

I know IÂ'm to blame

IÂ'm locked in my chains

And youÂ're free

Fallen like a stone

IÂ'm down on the ground

IÂ'm tied up and bound

And youÂ're free

I donÂ't miss all the fun that we had

You were always around me

Where are you now

I need you now

If you were around it would be alright

I donÂ't miss all the fun that we had

You were always around me

Where are you now

I need you now

If you were around it would be alright

Where are you now

I need you now

If you were around it would be alright

Where are you now

I need you now

If you were around it would be alright
