Where'm I gonna live when I get home
My ol' lady's thrown out everything I own
She meant what she said
When she wished I was dead
So where'm I gonna live when I get home

I knew our road was gettin' kinda rocky
She said I was gettin' way too cocky
She waited till I was gone
She packed from dusk 'til dawn
So where'm I gonna live when I get home

Where'm I gonna live when I get home
My ol' lady's thrown out everything I own
She meant what she said
When she wished I was dead
So where'm I gonna live when I get home

--- Instrumental ---

She decided she would keep my cat
My transportation I wouldn't be a needin' that
She kept my TV
The bills she gave to me
So where'm I gonna live when I get home

Where'm I gonna live when I get home
My ol' lady's thrown out everything I own
She meant what she said
When she wished I was dead
So where'm I gonna live when I get home

Where'm I gonna live when I get home
Where'm I gonna live, where'm I gonna live
Where'm I gonna live when I get home...
