(Jude Cole - Billy Ray Cyrus)
I hear your footsteps down the hall
I check my messages but I don't hear you call
I think of days gone by and now I wonder why you left
me
But I can't go on without you, without you.
Sometimes I wander on my way
Sometimes I just break down and pray
Sometimes I think of you and I don't know what to do
And I wonder how I will go on without you
How I will go on without your love
Without you, no, I can't go on without you
Without you.
I can't stop missin' you, oh, if I only knew, do you miss
me
'Cause I can't go on without you, I can't go on without
you
I can't go on without your love
Without you, no, I can't go on without you.
No, I can't go on without you.
Oh no, no, no.
I hear your footsteps down the hall
I check my messages but I don't hear you call.
And once again I'm all alone without you
No, I can't go on without you,
No, I can't go on without you.
No, I can't go on without you,
No. I can't go on without you...
