Lying in my bed
I hear the clock tick
And think of you
Turning in circles confusion
Is nothing new

Flashback to warm nights
Almost left behind
A suitcase of memories
Time after

Sometimes you picture me
I'm walking too far ahead
You're calling to me I can't hear
What you have said

And you say go slow
I've fallen behind
The second hand unwinds

If you're lost you can look
And you will find me
Time after time
If you fall I will catch you
I'll be waiting
Time after time

If you fall I will catch you
I will be waiting
Time after time
Time after time

After your picture fades
And darkness has turned to gray
Watching through windows
I'm wondering if you're okay

And you say go slow
I've fallen behind
The drum beats out of time

If you're lost you can look

And you will find me
Time after time
If you fall I will catch you
I'll be waiting
Time after time

If you fall I will catch you
I will be waiting
Time after time
Time after time

Mmm, mmm, mmm
Time after time
Oh, oh, oh, oh, oh, oh
Time after time
Time after time
