Baby you make my heart beat faster
Baby you make my heart beat faster
I know...
Let alone to rest alone
Yeah..You're making me
I had to run the damage is done
Give it up yeah , give it up yeah
There's nothing left so take the rest
Yeah You're draining me

I set it light it burns so bright
Stab it out yeah
Stab it out yeah

Baby you make my heart beat faster
Baby you make my heart beat faster

I know, yeah I know, yeah I know
I had to run the damage is done
Give it up yeah, give it up yeah
I had to go
It got out of control
Yeah You're breaking me
There's nothing left so take the rest
Stab it out yeah
Stab it out yeah
I set it light
It burns so bright
Yeah..You're draining me

You make my heart beat faster
Baby you make my heart beat faster

I know, yeah I know, that it's true
Let alone to rest alone (ohhhhhhhhhh)
Let alone to rest alone (ohhhhhhhhhh)
Let alone to rest alone (ohhhhhhhhhh)
Ohhhhhhhhhh ohhhhhhhh ohhhhhhhh

Baby you make my heart beat faster
Baby you make my heart beat faster
Baby you make my heart beat faster

There's nothing left so take the rest
There's nothing left so take the rest
There's nothing left so take the rest
There's nothing left so take the rest
Baby you make my heart beat faster
Baby you make my heart beat faster
Baby you make my heart beat faster
Let alone
