I fancy you
But I've been destitute
And all I know dissolved
I could never reundo you
I will always say it's so
I will always speak the truth
Descend into a noose
I could never reundo you

I want to bury you [x2]

Vultures circle around
Feathers float, wings flap, beaks pound
And though my hearts exposed
I could never reundo you
I will always bleed the truth
I will always speak
And know I was sent to cut you loose
I will never reundo you

I want to bury you [x4]

Dismantle me [x4]

And It's warm and humid on Swanston Street
And the air is filled with electricity
And the sky is deeper than a dream
And the sky is deeper than a

Dismantle Me [x3]

And the sky is deeper than a dream [x2]
