If your sleepy go to bed and read them tomorrow, if u  
have a few min read it now lol i was just listenin to this  
song and i immediately thought of you my love:)

When i see you lay down  
Under pink laquered skies  
Baby I'll give you something  
I'll shut your eyes  
To this mess  
When i love you baby  
I mean it more than just the whole world  
And when i take a picture that's instant  
It gets lost tonight oh baby it burns

I said i remember it so i saw your eyes  
Go through the tunnel and i remember  
Australian sun i was eight years old  
You were marilyn monroe .. oh gotta  
Take it oh yeah take it on playing backyard  
Blues, blacktart in their jaw  
I can nail I'll nail this on  
Oh she ate the whole world

Oh ive tasted i tasted too too many nights  
Lost in space i remember kneeling down  
My knees caught in the ground

When i love you baby  
I mean it more than just the whole world  
And when i take a picture that's instant  
It gets lost tonight oh baby it burns

When i love you baby  
Gypsy rose.. she rose to me

I remember a rolling stone  
Rolling on down through the bones  
Oh ya gotta save you gotta save your soul well  
She hates the whole world

When i love you baby  
I mean it more than just the whole world  
And when i saw gypsy rose gypsy rose she rose to me

And when i love you baby  
I mean it more than just the whole world  
I know your sin i know sin sin sin youve got wings
