This is the story about a circle of women
LA women
On an LA mission
This is the glory gonna get their hooks in gonna drag
you way down
Do ya wanna go home soon?
Yeah god almighty what the fuck happened to you?
I'm not red, white, and blue
Outta mind your outta sight
Every day and all night
I watch your pale ass on that street, i watch you walk on
through

Then she went glassy a sawn-off tragedy
A deliverence in the city, a new beginning
Power and glory in the name of the enemy
You sell your restless casualty for power and glory

Yeah god almighty what the fuck happened to you
I'm not red white and blue
Outta mind your outta sight
Every day and all night
I watch your pale ass on that street
Why'd you you walk on through

Hey, yeah yeah yeah, no hey, yeah, hey, yeah yeah
yeah, baby

Do i miss you, do i miss you?
Miss you at all
Do i miss you, do i miss you?
I don't miss you at all
And i say god almighty what the fuck happened to you
I'm not red white and blue
Outta mind your outta sight
Every day and all night
I watch your pale ass on that street
Why'd you you walk on through this hate, why'd you
you walk on through

Hey, yeah yeah yeah, no hey, yeah, hey
