Red carpet and rebellion
Makes ya wonder at the established ones
They aint out to get ya
Cause your a mile away

I heard a siren, a city warning , they said a new
Dawn arrives in the morning so i wait out tonight
For the , the new sunrise
They laid me to rest with an, an aberration
I woke up the living dead colossally mistaken
And i ran through the streets where i, i brake down

There aint no money if there aint no time
Yeah im outta my mind don't wanna waste this away
Shamed when i am and shamed when im not
Configuration of the american dream

The palace dialed in the streets were burning
The red horizon came crashing through the morning
There was no contentment only blood shed
Red blood and social discontent bruised by puritan
Oh puritan exempt it's like a peasant uprising

There aint no money if there aint no time
Yeah im outta my mind don't wanna waste this away
Shamed when i am and shamed when im not
Configuration of the american dream
St petersburg, 1905
Father garpon led the protest .. up inside .. up inside
Break down
Yeah, yeah, yeah yeah we are gone, we are gone, yeah
we are gone, we are gone, yeah we are gone huhhh

There aint no money if there aint no time
Yeah im outta my mind don't wanna waste this away
Shamed when i am and shamed when im not
Configuration of the american dream

Red carpet and rebellion makes ya wonder
Why they smell so bad they ain't out to get you
Cause your a mile away
