Oh Berlin, your heart has been drawn and quartered
again.

Oh the East and the West were divided by a wall that
stanchued their freedom.

Well the wall came down in 1989,
But it's ghost still refuses to leave
These hauntings are so reputative,
There's a bit of you in me..

Let's go!

Oh Berlin, your life's on fire,
Burns deep within this heart of mine.
You got astronomical, economical, suffering for a
century.
And when the ocean swells that day
I'll get on my ship and I'll sail away
On this ship. (x4)

And when you're all alone, don't forget me.
And when I'm all alone, I won't forget you.
And when you're all alone, don't forget me.
Cause I'm on the wrong side of the tracks.
But i did not know until you turned you're back.
I'm livin' the blackest years of my life.
But I did not know until you said goodbye..
Goodbye.

Oh Berlin your witness stands here,
On this cityshamed kinda day.
I'm going home hey. (x5)

And when you're all alone, don't forget me.
And when I'm all alone, I won't forget you.
And when you're all alone, don't forget me.
Cause I'm on the wrong side of the tracks.

But I did not know until you turned your back.
I'm livin' the blackest years of my life.
But I did not know until you said goodbye.
Goodbye!

We were young girls in a small world,
I'm on your doorstep man,
Ringin your bell again, i'm ringin your bell again
I'm sorry Gerite Rouge
