Home
A thousand miles away
Between the night and day
Into the skies of grey
Here I am
A soldier in command
Shaking out the sand
I'm coming into land

And it feels like
It's coming down
And you see yourself
Lifting off of the ground
Could it be your love
Was only lost
To be Found?

Who?

Here we are

Underneath the black lit star
Across the fires afar
To find out who you are
Home
A thousand years of light
Between the day and night
I'm bringing in the fight

And it feels like
It's coming down
And you see yourself
Lifting off of the ground
Could it be your love
Was only lost
To be Found?

Who?
