"Dehumanized"

Lost in slumber,
A threat to no-one
Weak and humbled in my disgrace
Sweet departure is what I long for,
Careless moments to comfort me

Dead philosophy

If I offer you my soul,
Will you carry me away?
I cannot be the only one
To be dehumanized again,
Left behind

Too determined to be forgotten,
Nothing left to enrapture me
Hard and silent but softly breaking,
No believing to comfort me

Ooh, dead philosophy

If I offer you my soul,
Will you carry me away?
How can I be the only one
To be dehumanized again,
Left behind

Feel the determination built into my mind,
You're never gonna find me
I'll wipe the world away
Your face it will remind me
Just how much I have to leave

If I offer you my soul,
Will you carry me away?
I cannot be the only one
To be dehumanized again

Said if I offer you my soul,
Will you carry me away?
I cannot be the only one

To be dehumanized again
Left behind

Into my mind
