Fade to Black

Life it seems will fade away
Drifting farther everyday
Getting lost within myself
Nothing matters, no one else
I have lost the will to live
Simply nothing more to give
There is nothing more for me
I need the end to set me free
(Guitar solo)
Things not what they used to be
Missing one inside of me
Deathly lost, this can't be real
I cannot stand this hell I feel
Emptiness is filling me
To the point of agony
Growing darkness taking dawn
I was me, but now he is gone
(Guitar solo)
Let me see you

Let's see those lighters of yours again
