Step up! Cause you're the next one in line for the kill.  
You don't believe me but I'm betting that you will.  
Step up! I'll let you live a little bit with the pain that I  
bring. You know it's only the beginning.  
Step up! Cause you're the next one in line for the kill.  
You don't believe me but I'm betting that you will.  
Step up! I'll let you live a little bit with the pain that I  
bring. You know it's only the beginning.  
I'm breaking the living inside you, something and  
someone to hide you.  
I'm breaking the living inside you, something and  
someone to hide you.  
I'm breaking the living inside you, something and  
someone to hide you.  
I'm breaking the living inside you, don't run away, bring  
it on straight to me!  
Step up! Cause you're the next one in line for the kill.  
You don't believe me but I'm betting that you will.
