Killing You Now

Take this fucking knife  
Out of my back now!  
I'm through being the laughter of your  
Damn Joke!  
You should have killed me  
When you fucked me over  
When I find you, hands around your neck,  
And start to choke.

I wanna see you plead and scream,  
And cry to God.

'Cause I lost it all  
I have no reason  
To live with you  
Only he can guess what I'm going to do to you.  
Just remember,  
I don't get mad,  
I get even!

Because of you I disconnect,  
This mess is all that's left of me,  
Because of you I disconnect.  
I'm killing you now!

Get down on your knees,  
I wanna see you beg!  
Tears building up here,  
Before me!  
I'm gonna tear you up!  
I'm gonna break you down.  
I'm gonna show you my pain  
And misery!

Here I am in this lonely place,  
Without you.  
Now I'm alone and I'm forgetting

I

Have  
Become  
You!

Only he can guess what I'm going do to you.  
Just remember,  
I don't get mad,  
I get even!

Because of you I disconnect,  
This mess is all that's left of me,  
Because of you I disconnect.  
I'm killing you now!

Because of you I disconnect,  
This mess is all that's left of me, now  
Because of you I disconnect.  
I'm killing you now!

Because of you I disconnect,  
This mess is all that's left of me,  
Because of you I disconnect.  
I'm killing you now!
