One More Goddamn Day
When I know what I want
And my want will be considered tonight
(Ah-Ah)
Considered tonight
(Ah-Ah)
Just Another Day
When all that I want will
Mark me as a sinner tonight
(Ah-Ah)
I'm a sinner tonight
Yeah

People can no longer cover their eyes
If this disturbs you
Then walk away
You will remember
The night you were struck by the sight of
Ten Thousand Fists In The Air

Power unrestrained
Dead on the mark
Is what we will deliver tonight
(Ah-Ah)
Deliver tonight
(Ah-Ah)

Pleasure fused with pain
This triumph of the soul
Will make you shiver tonight
(Ah-Ah)
We'll make you shiver tonight
Yeah

People can no longer cover their eyes
If this disturbs you
Then walk away
You will remember

The night you were struck by the sight of
Ten Thousand Fists In The Air

We are the ones that will open your mind
Leave the weak and the haunted behind (x4)

People can no longer cover their eyes
If this disturbs you
Then walk away
You will remember
The night you were struck by the sight of
Ten Thousand Fists In The Air
Ten Thousand Fists In The Air
Ten Thousand Fists In The Air
