Survivor!
Survivor!
One more goddamn day
When I know what I want
And my want will be considered tonight
RAH! RAH!
Consider tonight AWK! AWK!
Just another day

When all that I want
Will mark me as a sinner tonight
AWK! AWK!
I'm a sinner tonight yeah!
[Chorus]
People can no longer cover their eyes
If this disturbs you then walk away
You will remember the night you were struck by the
sight of
Ten Thousand fists in the air!

Power unrestrained
Dead on the mark
Is what we will deliver tonight
AWK! AWK!
Deliver tonight
AWK! AWK!
Pleasure fused with pain
This triumph of the soul
Will make you shiver tonight
AWK! AWK!
We'll make you shiver tonight!
Yeah!
[Chorus 2]
People can no longer cover their eyes
If this disturbs you then walk away
You will remember the night you were struck by the
sight of
Ten Thousand fists in the air!

We are the ones that will open your mind!
Leave the weak and the haunted behind!
We are the ones that will open your mind!

Leave the weak and the haunted behind!
We are the ones that will open your mind!
Leave the weak and the haunted behind!
We are the ones that will open your mind!
Leave the weak and the haunted behind!

[Chorus]

People can no longer cover their eyes
If this disturbs you then walk away
You will remember the night you were struck by the
sight of
Ten Thousand fists in the air!
Ten Thousand fists in the air!
Ten Thousand fists in the air!
