Heavy, you want it heavy  
Welcome to my world, feel the weight of it grinding  
down and  
Heavy, I want it heavy  
Welcome to my world, feel the weight of it grinding  
down again

[Incomprehensible]

Gather your pathetic masses and bring them to me  
To a world devoid of lie, to another time, to another  
place  
And then the broken ones taste my misery

Rip away her disguise and you will realize that ya find  
The truth is sickening we don't need to change it, really  
I kind of like it ugly

Lay it, make it binding  
Seathing, blinding, screaming

Heavy, you want it heavy  
Welcome to my world, feel the weight of it grinding  
down and  
Heavy, I want it heavy  
Welcome to my world, feel the weight of it grinding  
down again

[Incomprehensible]

Gather your psychotic masses and bring them to me  
To a world devoid of sanity, another time and another  
place  
And then the violent ones crave calamity  
Rip away her disguise and you will realize that ya find  
The truth is sickening we don't need to change it, really  
I kind of like it ugly

Lay it, make it binding  
Seathing, blinding, screaming

The race of the Mother Culture is thickening  
The rape of the Mother Culture is nearing  
The face of the Mother Culture is sickening  
The rape of a Mother is the loving I need  
Bleeding now, 1 2 3 4

The race of the Mother Culture is thickening  
The rape of the Mother Culture is nearing  
The face of the Mother Culture is sickening  
The rape of a Mother is the loving I need  
Bleeding now, 1 2 3 4

Heavy, you want it heavy  
Welcome to my world, grinding down and  
Heavy, I want it heavy  
Feel the weight of it grinding

Heavy, you want it heavy  
You want it heavy, you want it heavy
