This song is called Bruises

When I say go...

One

Two

Three

Go!

Get the fuck up c'mon
Please leave me alone
For I cannot let this go
And a lie, all of this
Everything that I miss
Shut the fuck up!

Please tell me I have grown
For I have bruises left to show
And a lie, all of this
c'mon man, I wanna to shoot fuckin' trumpet c'mon

Come on get up
Let me see your bruises
Come on get up
Let me see your bruises
Come on get up
Let me see your bruises
Come on get up
Let me see your bruises

And I will never let you know
Never know
Never know

'Cause I will never let you go
Let it go
Let it go
Let it go!

Please leave me alone
Let me see this fuckin' side move man
Rise!

Let me see, let me see, let me see, let me see

Come on get up
Let me see your bruises
Come on get up
Let me see your bruises
Come on get up
Let me see your bruises
Come on get up
Let me see your bruises

Thank you guys very much, goodnight
