OOOHHH

devin wont go to heaven

shes just another lost sole about to be mine again

leave her we will recive her

it is beond your control will you never meet again

OOHHH devin one of eleven she is to come unctrlfor  
the final time.

you will shiver till you deliver she is to come uncontrol  
for the final time.

Say, yes they know that you fought yourself another  
time

Don't they know that you're full of pain already?

Yes they know that you've hurt yourself another time

Decadence isn't easy, is it?

Yes they know that you've hurt yourself another time

Don't they know that you're full of pain already?

Yes they know that you've hurt yourself another time

Decadence isn't easy, is it?

Then you slowly recall all your mind

Why, your soul's gone cold, and all hope has run dry

Dead inside

Never enough to forget that you're one of the lonely

Slowly recall all your mind

Say, yes they know that you've hurt yourself another  
time

Don't they know that you're full of pain already?

Yes they know that you've hurt yourself another time

Decadence isn't easy, is it?

Yes they know that you've hurt yourself another time

Don't they know that you're full of pain already?

Yes they know that you've hurt yourself another time

Decadence isn't easy...

Then you slowly recall all your mind

Why, your soul's gone cold, and all hope has run dry

Dead inside

Never enough to forget that you're one of the lonely

Slowly recall all your mind

If I scare you now

Don't run from me  
I've been hiding my pain, you see  
Said if I scare you now  
Don't run from me  
I've been hiding my pain, you see

Slowly recall all your mind  
Why, your soul's gone cold, and all hope has run dry  
Dead inside  
Never enough to forget that you're one of the lonely  
Slowly recall all your mind  
Slowly recall all your mind

Say, yes they know that you've hurt yourself another  
time  
Don't they know that you're full of pain already?  
Yes they know that you've hurt yourself another time  
Decadence isn't easy, is it?
