Lost in slumber, a threat to no one
Weak and humbled in my disgrace
Sweet departure is what I long for
Careless moments to comfort me

Dead philosophy

If I offer you my soul
Will you carry me away?
I cannot be the only one
To be dehumanized again
Left behind

Too determined, to be forgotten
Nothing left to enrapture me
Hard and silent but softly breaking
No beloved to comfort me

Ooh, dead philosophy

If I offer you my soul
Will you carry me away?
I cannot be the only one
To be dehumanized again
Left behind

Feel the determination
Built into my mind

You're never gonna find me
I'll wipe the world away
Your face it will remind me
Just how much I have to leave

If I offer you my soul
Will you carry me away?
I cannot be the only one
To be dehumanized again

Tell, if I offer you my soul
Will you carry me away?

I cannot be the only one
To be dehumanized again

Left behind
Into my mind
