Step up 'cause you're the next one in line for the kill
You don't believe it but I'm betting that you will
Step down, I'll let you live a little bit with the pain that I
bring
You know it's only the beginning

Step up 'cause you're the next one in line for the kill
You don't believe it but I'm betting that you will
Step down, I'll let you live a little bit with the pain that I
bring
You know it's only the beginning

Step up 'cause you're the next one in line for the kill
You don't believe it but I'm betting that you will
Step down, I'll let you live a little bit with the pain that I
bring
You know it's only the beginning

I'm breaking the limit inside you
Stop begging someone to hide you
I'm breaking the limit inside you
Stop begging someone to hide you

I'm breaking the limit inside you
Stop begging someone to hide you
I'm breaking the limit inside you
Don't run away, bring it on, straight to me

Step up 'cause you're the next one in line for the kill
You don't believe it but I'm betting that you will
Step down, I'll let you live a little bit with the pain that I
bring
You know it's only the beginning
