Glass Shatters

Step up! Cause you're the next one in line for the kill.
You don't believe me but I'm betting that you will.

Stand up! I'll let you live a little bit with the pain that I
bring. You know it's only the beginning.

Step up! Cause you're the next one in line for the kill.
You don't believe me but I'm betting that you will.

Stand up! I'll let you live a little bit with the pain that I
bring. You know it's only the beginning.

Step up! Cause you're the next one in line for the kill.
You don't believe me but I'm betting that you will.

Stand up! I'll let you live a little bit with the pain that I
bring. You know it's only the beginning.

I'm breaking the limit inside you, start begging
someone to hide you.

I'm breaking the limit inside you, start begging
someone to hide you.

I'm breaking the limit inside you, start begging
someone to hide you.

Step up! Cause you're the next one in line for the kill.
