Another mission  
The powers have called me away  
Another time  
To carry my colors again  
My motivation  
An oath I've sworn to defend  
To win the honor  
Of coming back home again  
No explanation  
Will matter after we begin  
Unlock the dark destroyer that's burried within  
My true vocation  
And now my unfortunate friend  
You will discover  
A war you're unable to win

I'll have you know  
That I've become...

Indestructible  
Determination that is incorruptible  
From the other side  
A terror to behold  
Annihilation will be unavoidable  
Every broken enemy will know  
That their opponent had to be invincible  
Take a last look around while you're alive  
I'm an indestructible Master of War!

Another reason  
Another cause for me to fight  
Another fuse uncovered  
Now, for me to light  
My dedication  
To all that I've sworn to protect  
I carry out my orders  
With out a regret  
A declaration  
Embedded deep under my skin  
A permanent reminder  
Of how it began  
No hesitation

When I am commanding the strike  
You need to know  
That you're in for the fight of your life

You will be shown  
How I've become...

Indestructible  
Determination that is incorruptible  
From the other side  
A terror to behold  
Annihilation will be unavoidable  
Every broken enemy will know  
That their opponent had to be invincible  
Take a last look around while you're alive  
I'm an indestructible Master of War!

[Guitar Solo]

I'm...  
Indestructible  
Determination that is incorruptible  
From the other side  
A terror to behold  
Annihilation will be unavoidable  
Every broken enemy will know  
That their opponent had to be invincible  
Take a last look around while you're alive  
I am indestructible (indestructible)

Indestructible  
Determination that is incorruptible  
From the other side  
A terror to behold  
Annihilation will be unavoidable  
Every broken enemy will know  
That their opponent had to be invincible  
Take a last look around while you're alive  
I'm an indestructible Master of War!
