Devon

Won't go to heaven

She's just another lost soul, about to be mine again

Leave her

We will receive her

It is beyond your control

Will you ever meet again

Devon

One of Eleven

Who had been rendered unwhole

As a little child.

She was taken

And then forsaken

You will remember it all

Let it fill your mind again

Devon lies beyond this portal

Take the word of one immortal

Give your soul to me

For eternity

Release your life

To begin another time with her

End your grief with me

There's another way

Release your life

Take your place inside the fire with her

Sever

Now and forever

You're just another lost soul about to be mine again

See her, you'll never free her

You must surrender it all

If you'd like to meet again

Fire

For you desire

As she begins to turn cold for the final time

You will shiver

Till you deliver

You will remember it all

Let it fill your mind again

Devon lies beyond this portal  
Take the word of one immortal  
Give your soul to me  
For eternity  
Release your life  
To begin another time with her  
End your grief with me  
There's another way  
Release your life  
Take your place inside the fire with her

Give your soul to me  
For eternity  
Release your life  
To begin another time with her  
End your grief with me  
There's another way  
Release your life  
Take your place inside the fire with her

Devon  
One of Eleven  
Who had been rendered unwhole  
As a little child.  
She was taken,  
And then forsaken  
You will remember it all  
Let it fill your mind again
