"Inside The Fire"

Devon
Won't go to heaven
She's just another lost soul,
About to be mine again
Leave her
we will receive her
It is beyond your control
will you ever meet again

Devon
One of eleven
Who had been rendered unwhole
As a little child,
she was taken
and then forsaken
you will remember it all
Let it fill your mind again

[Chorus:]
Devon lies beyond this portal
take the word of one immortal
Give your soul to me
For eternity
release your life
to begin another time with her
End your grief with me
there's another way
release your life
take your place inside the fire with her

Sever
Now and forever
you're just another lost soul about to be mine again
see her, you'll never free her
you must surrender it all
If you'd like to meet again

Fire for your desire

As she begins to turn cold for the final time

you will shiver
till you deliver
you will remember it all
Let it fill your mind again

[Chorus]

Devon lies beyond this portal
take the word of one immortal
Give your soul to me
For eternity
release your life
to begin another time with her
End your grief with me
there's another way
release your life
take your place inside the fire with her

THEY ARE WAITING!!

Give your soul to me
For eternity
release your life
to begin another time with her
End your grief with me
there's another way
release your life
take your place inside the fire with her

Devon
One of eleven
Who had been rendered unwhole
As a little child
she was taken,
and then forsaken
you will remember it all
Let it fill your mind again
