I have climbed highest mountains
I have run throught the fields
Only to be with you
Only to be with you
I have run,I have crawled
I have scaled these city walls
These city walls
Only to be with you
But I still havent found what I'm looking for
No I still havent found what im looking for
I have kissed honey lips
Felt the healing in her fingertips
It burned like a fire this burning desire
I have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night
I was cold as a stone
But I still havent found what I'm looking for
No I still havent found what im looking for

ROAR!!!!!!!

I believe in the kingdom come
And all the colors will bleed into one
Bleed into one
But yes I'm still running
You broke the bonds and you loosed the chains
Carried the cross of my shame
Oh my shame
You know I believe that
But I still havent found what I'm looking for
No I still havent found what im looking for
