Killing You Now

Take this fucking knife
Out of my back now!
I'm through being the laughter of your
Dam Joke!
You should've killed me
When you fucked me over
When I find my hands around your neck and
Start to choke!

I wanna see you plead and scream,
And cry to God.
"cause I lost it all
I have no reason
To
Live
With
You
Only he can guess what I'm gonna do to you.
Just remember,
I don't get mad,
I get even!

Because of you I disconnect,
Dismiss all that's left of me,
Because of you I disconnect.
I'm killing you now!!

Get down on your knees,
I wanna see you beg!
Tears building up here,
Before me!
I'm gonna tear you up!
I'm gonna break you down.
I'm gonna show you my pain

And,
My misery!

Here I am in this lonely place,
Without you.

Now I'm alone and forgotten.

I
Have
Become
You!

Only he can guess what I'm gonna do to you.
Just remember,
I don't get mad,
I get even!

Because of you I disconnect,
Dismiss all that's left of me,
Because of you I disconnect.
I'm killing you now!

Because of you I disconnect,
Dismiss all that's left of me,
Because of you I disconnect.
I'm killing you now!

Because of you I disconnect,
Dismiss all that's left of me,
Because of you I disconnect.
I'm killing you now!
