I wanna get psycho  
Run you little bitch  
I want your power glowing, juicy flowing, red hot,  
meaning of life  
It's not enough to have a little taste  
I want the whole damn thing now  
Can you dig it?

Need to get psycho  
Wanna hear you say it  
Say, you want it, need it  
Don't wanna wait until we finish the show  
It's not enough, you hunger for more  
You're one twisted little fuck  
And now you anna get psycho with me

Decide  
Give in

I wanna get psycho  
Scratch my itch  
Give me your power glowing, juicy flowing red hot,  
meaning of life  
It's not enough to have a little piece  
I want the whole damn thing now

Can you dig it?

Need to get psycho  
Wanna hear you scream  
Tell me to take you, scare you, fuck you  
After we finish the show  
It's not enough, you listening whore?  
You're one twisted little fuck  
And now you wanna get psycho with me

I can feel the blood, flowing through my veins  
Spilling on my soul  
And now the hunger's getting bigger  
Come a little closer now  
Pretentious whore and pull my trigger  
Free the violence that is building in me

I say now end of the ride, murder suicide  
Is how I've been feelin' that I can't ignore  
And the need to get psycho  
Is not a question to me
