Step up! cause you're the next one in line for the kill.
you don't believe me but I'm betting that you will.

Step up! I'll let you live a little bit with the pain that I
bring. you know it's only the beginning.

Step up! cause you're the next one in line for the kill.
you don't believe me but I'm betting that you will.

Step up! I'll let you live a little bit with the pain that I
bring. you know it's only the beginning.

Step up! cause you're the next one in line for the kill.
you don't believe me but I'm betting that you will.

Step up! I'll let you live a little bit with the pain that I
bring. you know it's only the beginning.

someone to hide you.

someone to hide you.
