Survivor!!
Survivor!!

One more god damn day
When I know what I want
And my want will be considered tonight
(Ah-Ah)
Considered tonight
(Ah-Ah)
Just another day
When all that I want will
Mark me as a sinner tonight
(Ah-Ah)
I'm a sinner tonight
Yeah

People can no longer cover their eyes
If this disturbs you
Then walk away
You will remember
The night you were struck by the sight of
Ten thousand fists in the air

Power un-restrained dead on the mark
Is what we will deliver tonight
(Ah-Ah)
deliver tonight
(Ah-Ah)
Pleasure fused with pain
This triumph of the soul

Will make you shiver tonight
(Ah-Ah)
Will Make you shiver tonight
Yeah

People can no longer cover their eyes
If this disturbs you
Then walk away
You will remember
The night you were struck by the sight of
Ten thousand fists in the air

We are the ones that will open your mind
Leave the weak and the haunted behind (x4)

People can no longer cover their eyes
If this disturbs you
Then walk away
You will remember
The night you were struck by the sight of
Ten thousand fists in the air
Ten thousand fists in the air
Ten thousand fists in the air
