another day has been devoured, calling me away
I hear you question why
For saving me from all they've taken
Let my honor fall again
Giving me the strength to face them
Feeling it taking over
No

On the path to take it all away
There can be no better way of knowing
In a world beyond controlling
Are you going to deny the savior in front of your eyes
Stare into the night
Power beyond containing
Are you going to remain a slave for the rest of your Life
Give into the night
