They say freak  
When you're singled out  
The red..  
It filters through  
So lay down  
The threat is real  
When his sight  
Goes red again  
Seeing red again  
This change  
He won't contain  
Slip away  
To clear your mind  
When asked  
What made it show?  
The truth  
He gives into most  
So lay down  
The threat is real

When his sight  
Goes red again  
So lay down  
The threat is real  
When his sight  
Goes red again  
Seeing red again  
They say freak  
When you're singled out  
The red....  
It filters through
