They say freak
When you're singled out
The red..
It filters through
So lay down
The threat is real
When his sight
Goes red again
Seeing red again
This change
He won't contain
Slip away
To clear your mind
When asked
What made it show?
The truth
He gives into most
So lay down
The threat is real
When his sight
Goes red again
So lay down
The threat is real
When his sight
Goes red again
Seeing red again
They say freak
When you're singled out
The red....
It filters through
