I'm 'bout to break sumthin', break sumthin', take
sumthin'
Break sumthin', break sumthin', take sumthin'
'Bout to break sumthin', break sumthin', take sumthin'
Break sumthin', got ya saying, aah shit

I'm 'bout to break sumthin', break sumthin', take
sumthin'
Break sumthin', break sumthin', take sumthin'
'Bout to break sumthin', break sumthin', take sumthin'
Break sumthin', got ya saying, aah shit

Yeah, fee, fi, foe, fum
I smell an ounce of that good and a fifth of rum
Ain't no mistakin' Shady Park is where I'm flippin' from
It's so shady my old lady gotta keep a couple guns

You get the runs and I ain't talkin' about the bowel
system
I'm talking bleedin', hurry wrap 'em with a towel system
Get the fuck out now system, it's animosity, curiosity,
robbery
Probably the reason why there's no stoppin' me till you
cop a plea

Man, see now these bitches wanna fuck with Shawwna
When I bump that thang and keep a pocketbook of
marijuana
Better keep that mouth out my business, 'cause I got
that 50 for ya
And I'm off the whip in this bitch and somebody
should've told ya

I'm drinkin' Remy and these bitches lookin' at me shady
They must don't know that I'm that bitch that smoke
'em in the face
Better take me up out the club 'cause I'm about to
break
And all my bitches and thugs know how we operate
We 'bout that take nigga

Break break sumthin', break sumthin', take sumthin'

Break sumthin', break sumthin', take sumthin'
'Bout to break sumthin', break sumthin', take sumthin'
Break sumthin', got ya saying, aah shit

'Bout to break sumthin', break sumthin', take sumthin'
Break sumthin', break sumthin', take sumthin'
'Bout to break sumthin', break sumthin', take sumthin'
Break sumthin', got ya saying, aah shit

Little shorty from G-Roll on the hustle to see six figures
or more
Whether rappin' or pimpin' hoes, I'm high cappin' the
gold
And I know I made them boys sick
When I popped up on 24's [Incomprehensible]

You see me diggin' in my gold, I'm a ghetto bastard
And when I'm smokin' on 'dro, I get the munchies
directly after
I made dough by offing hoes in transactions
See, I stay on Riverdale Road but I will meet you up on
Naston

'Cause in the South Side, partner, we break you off
proper
And the doctors can't help ya when the guns go
blockah
Time to notify the pastor, ya family you'll mourn after
Yeah, the day after your ashes get scattered, you're all
out next batter

I don't need no approval for poodles 'cause I'm a fool
dog
Get to fightin' in clubs and swing with pool balls
I saw [Incomprehensible] walking by, I try to grab
sumthin'
If you don't say sumthin' I'm gon' take sumthin'

I'm 'bout to break sumthin', break sumthin', take
sumthin'
Break sumthin', break sumthin', take sumthin'
'Bout to break sumthin', break sumthin', take sumthin'
Break sumthin', got ya saying, aah shit

'Bout to break sumthin', break sumthin', take sumthin'
Break sumthin', break sumthin', take sumthin'
'Bout to break sumthin', break sumthin', take sumthin'
Break sumthin', got ya saying, aah shit

Shit, blow you to bits and pieces, my niggas with
caprices

A Gucci bucket, polo down with them heavy creases
I'm East Side, Scottsdale, throw it up dog
I got them rocks by your block throw it up y'all
Slingers, 'dro, and pampus, let's get it poppin' doctor

Mack 10, AK's when we shoot those choppers
My niggas ridin' hard, my niggas hot and hard
I-20 will bust some fo's so get down boy

I'm 'bout to break sumthin', break sumthin', take
sumthin'
Break sumthin', break sumthin', take sumthin'
'Bout to break sumthin', break sumthin', take sumthin'
Break sumthin', got ya saying, aah shit

'Bout to break sumthin', break sumthin', take sumthin'
Break sumthin', break sumthin', take sumthin'
'Bout to break sumthin', break sumthin', take sumthin'
Break sumthin', got ya saying, aah shit

Break sumthin', take sumthin'
Break sumthin', take sumthin'
Break sumthin', take sumthin'

Break sumthin', take sumthin'
Break sumthin', take sumthin'
Break sumthin', got ya saying, aah shit

Break, break sumthin', take sumthin'
Break sumthin', break sumthin', take sumthin'

Break sumthin', take sumthin'
Break sumthin', take sumthin'
Break, got ya saying, aah shit
