You were taking me down  
So I let you go  
Is there anything left  
Cause we've been here before  
Yeah I'm missing your smile  
That was there from the start  
But that faded away  
As you tore me apart

And every time I think about you  
I just can't let this go

Now there is nothing I can do  
To save this broken heart  
I was falling hard, I was falling hard  
When I fell for you  
Walk away, I have nothing left to say  
You have taken everything  
I was falling hard, I was falling hard  
When I fell for you  
When I fell for you

I kept taking you back  
But it always felt the same  
Every time it got worse  
You said I was to blame  
I have nothing left  
I have no more to give  
You have wasted me time  
That can never be relived

And every time I think about you

I just can't let this go

Now there is nothing I can do  
To save this broken heart  
I was falling hard, I was falling hard  
When I fell for you  
Walk away, I have nothing left to say  
You have taken everything  
I was falling hard, I was falling hard

When I fell for you  
When I fell for you  
When I fell for you

You were everything I lived for  
But I won't hurt for you anymore  
You were everything I lived for  
But I won't fight for you anymore

Now there is nothing I can do  
To save this broken heart  
I was falling hard, I was falling hard  
When I fell for you  
Walk away, I have nothing left to say  
You have taken everything  
I was falling hard, I was falling hard  
When I fell for you  
When I fell for you  
When I fell for you
