Was it never enough that I gave it my all?  
It's a constant weakness I have never felt before

Is this real or emotional high?  
I'm losing myself and the will to get by  
Is this where I never believe again?

And I'll burn like the ashes in the middle of a fire  
Hanging with all of my hope on the line  
Fell into this nightmare, I don't even know myself  
anymore  
I can't dream  
I can't dream  
But I scream  
But I'll never let you see that side of me

Was it never enough that I made my own way  
Why do I keep on paying for everyone of my mistakes

Is this real or emotional high?  
I'm losing myself and the will to get by  
Is this where I never believe again?

And I'll burn like the ashes in the middle of a fire  
Hanging with all of my hope on the line

Fell into this nightmare, I don't even know myself  
anymore  
I can't dream  
I can't dream  
But I scream  
But I'll never let you see

That broken side of me

And I'll burn like the ashes in the middle of a fire  
Hanging with all of my hope on the line  
Fell into this nightmare, I don't even know myself  
anymore

And I'll burn like the ashes in the middle of a fire  
Hanging with all of my hope on the line

Fell into this nightmare, I don't even know myself  
anymore  
I can't dream  
I can't dream  
But I scream  
But I'll never let you see that side of me  
That side of me
