I want to take you home
I want to feel what I can't see
I love the way you look when you're on top of me

In the back of my truck
Sweat drippin' and I can't breathe
You always build me up and then you take me down

It's just a one night stand
I like it when you want it again
You know I like you cause you're crazy
I love the way you tease me
Right or wrong!
It's just a one night stand
I can't get you out of my head
You know I'm feeling kinda sleazy
You make it seem so easy
Right or wrong!
It's just a one night stand

I like your black tattoo
I think this angels got a broken halo
I love the way you smile when you look back at me

I'm gonna lose control
Nobody's thinkin' about tomorrow
You always build me up and then you take me down

It's just a one night stand
I like it when you want it again
You know I like you cause you're crazy
I love the way you tease me
Right or wrong!
It's just a one night stand
I can't get you out of my head
You know I'm feeling kinda sleazy
You make it seem so easy
Right or wrong!
It's just a one night stand

Cause I know what you want to finish what you start
To build me up and then you take me down

It's just a one night stand
I like it when you want it again
You know I like you cause you're crazy
I love the way you tease me
Right or wrong!
It's just a one night stand
I can't get you out of my head
You know I'm feeling kinda sleazy
You make it seem so easy
Right or wrong!
It's just a one night stand
