I don't think I am ready  
And I don't think this is right.  
My heart has grown heavy  
And I can't sleep at night,  
Since you left me all alone  
And on my own.

Oh memory, oh memory  
Come back to me, come back to me tonight  
And set me free.  
And I'll tell you everything on my mind.  
I'm sorry for wasting your time  
It won't happen again.  
And I'll say, whatever I need to say,  
If you promise that you'll stay  
And waste away with me  
Come waste the days with me.

And oh my God, this is the sweetest sin  
Oh my God, look what a mess I'm in.  
I never thought I'd get this far  
But I'm giving up, I'm letting go  
I'm begging you to take control  
Cause I just can't hold on.

And my memory, my memory

Is failing me, it's failing me  
And I, I can't breathe.

But I'll tell you everything on my mind,  
I'm sorry for wasting your time  
It won't happen again.  
And I'll say, whatever I need to say.  
If you promise that you'll stay  
And waste away with me  
Come waste away with me.

I've got these problems on my mind,  
These seconds turn to hours with this lover on the line.  
Sign my name with x and o's this time.  
I've got problems on my mind,

These seconds turn to hours with this lover on the line.  
Sign my name with x and o's this time.

Will you catch me if I fall?  
When you say forever, forever means never.  
But I'll keep on calling. [x7]  
Memory, oh memory. [x6]
