Here I am,  
I'm giving it all I've got,  
But I'm just getting started  
I know I'm not far,  
But I've got a feeling this could be  
So much more than I expected  
So much more than I predicted  
I'm predicting this could be  
So much more than anything

Letting go of yesterday,  
Forgetting everything,

I am here,  
Holding on,  
This is right where I belong  
And I'm not moving  
I'm here to prove it.  
This is real  
This is life  
It's taken quite a bit of time,  
But I'm not moving  
I'm here to prove it

I'm giving it all away  
There's not a thing that I won't do  
I can feel it in my bones  
I think I'm getting close now  
I was made for this  
And there's no hiding it  
I'll keep on fighting  
For everything I know

Just let it go.

I am here,  
Holding on,  
This is right where I belong  
And I'm not moving  
I'm here to prove it.  
This is real  
This is life

It's taken quite a bit of time,  
But I'm not moving  
I'm here to prove it

Here I am  
I waiting on a chance,  
Face to face with my dreams  
And I'm not giving up  
And no I'm not giving up  
I'm holding on  
And I know it won't be easy  
But that's ok with me  
There's nothing else I need  
I'll give my everything.

I am here,  
Holding on,  
This is right where I belong  
And I'm not moving  
I'm here to prove it.  
This is real  
This is life  
It's taken quite a bit of time,  
But I'm not moving  
I'm here to prove it  
I'm here to prove it  
I'm here to prove it
