1. I thought I knew the Story. I thought I'd seen it all
Those days of love and glory. But now I hear you call

Chorus:

Calley Oh

See there's nowhere to hide

Calley Oh

I can feel you inside

Don't you know

That I can't hold back

I keep on coming after you

2. You never compromise me. You never find it hard
You never recognize me. You throw me off my guard

Ch: Calley Oh

With the roads that you pave

Calley Oh

You can have it your way

Don't you know

That I can't hold back

I keep on coming after you

Bridge:

I go chasing moonshine racing you may wonder why

If I find my true love ever

I will never

I will never say good bye

3. I'm past the point of caring. It's just your point of view

I'm Past the point of sharing. I gave it all to you

Ch: Calley Oh

You can see thru my eyes

Calley Oh

You could never disguise

What you know $\tilde{A}f\hat{A}\hat{c}\hat{a}, -\tilde{A},\hat{A}!$ That I can't hold back

I keep on coming after you

Calley Oh

You're my nights and my days

Calley Oh

Finding my way

Don't You know that I can't hold back

I keep on coming after you.
