Cross my heart that I love her  
Place no one up above her

Ooh, ooh...

I want a girl that's true  
(I want a girl that's true)  
To tell all my troubles to  
(Tell all my troubles to)

Lord, why don't you  
Send her right to me  
Great God almighty, child  
I said it right now

This fat boy's gonna love her  
Place no one up above her  
Don't you know I said  
Ooh, ooh, ooh...

On my knees every day  
(On my knees every day)  
To have none above, I pray  
(Have none above, I pray)

I said, Lord  
Send her right to me

Every day of my life  
(Every day of my life)  
I want her to be my wife  
(Want her to be my wife)

Oh, Lord, hear me  
Lord, please  
Send her right to me

Cross my heart that I love her  
Place no one up above her

Ooh, ooh, ooh...

Don't you know  
Baby, little girl, I said  
I cross my heart to you

Don't you know, my darling  
Don't you know myself  
How much, how much  
I'm really in love with you

Don't you know I said  
We'll never part  
Please don't ever  
Break up my heart...
