Every day, every day  
Every day, every day  
Every day, every day  
Every day, every day

Oh, every day  
(Every day, every day)  
Every day, every day  
I have the blues, girl

Every day, baby  
(Every day, every day)  
Every day, every day  
I have the blues, yeah

When you see me worrying, baby  
It's you I hate to lose, girl

No, no, no, no  
No, no, no, no  
(Nobody loves me)  
Nobody seems to care  
(Nobody cares)

No, nobody loves me, baby  
(Nobody loves me)  
Nobody seems to care  
(Nobody cares)

Speaking of bad luck and trouble  
You know I've had my share

I'm gonna pack up my suitcase, baby  
(Every day, every day)  
(Every day I have the blues)  
Gonna move on down a little line

I'm gonna pack my suitcase, baby  
(Every day, every day)  
(Every day I have the blues)  
Gonna move on down a little line, girl

'Cause there ain't nobody worried  
And there ain't nobody crying, hey

Hey (every day, every day)  
Hey, girl, hey, girl, hey, girl  
I have the blues  
(Every day, every day)

I said every day, girl  
(Every day, every day)  
Day, girl, day, girl  
I said I have the blues, yeah  
(Every day, every day)

When you see me worrying, baby  
It's you I hate to lose

Oh, I said  
I said every day, girl  
(Every day, every day)  
Day, girl, day, girl  
I said I have the blues, yeah  
(Every day, every day)

I said every day, girl  
(Every day, every day)  
Day, girl, day, girl  
I said I have the blues, yeah  
(Every day, every day)

When you see me worrying, baby  
It's you, it's you I hate to lose
