I watch you on the tv--you're with me every place I go
I'm caught up in the daydream--I'm into everyone you
know

Turn on the action--grab every minute
Learn every lesson--then live to regret it
I'm so distracted--my mind's disengaged
Sharin' the moments when you're all the rage
I got my eyes on you
Got my eye on you...

Those overnight conditions always get the best of you
You're fuelin' my suspicions--I'm taken by the sneak
preview
You got the numbers--you got no limits

One day you're out but the next day you're in it
You find the answers--you know what to say
Give us our reasons for livin' today
I got my eyes on you
Got my eye on you...

We share the laughter and pain when you're in it
Bring on disaster--cause we know you'll win it
We're all believers--so watch what you say
Turn on those feelin's...I can't look away
I got my eyes on you
Got my eye on you
