(Latin beat)

Baby, here I am
Baby, here I am
You see fat boy, yeah that's me
A-now, I made it back

I met a girl
She sure looks sweet
She really knock a-me off my feet
A-when she said
I was her pride an joy
That she was in love
A-with a fat boy

Little girl, I want you to know
That I love, I la-la-la will love you
I love you so-ho
Because a-you said
I was your pride an joy
An that you're in love
A-with a fat boy

Baby, here I am
Baby, here I am
You see fat boy, that's a-me
A-now, I made it back in town

I thank you-ooo
Lord, up above
For sending me
A sweet little girl to love

She even said
I was her pride an joy
And that she was in love
A-with a fat boy

Baby, here I am
It's fat boy callin' you darlin'
I said, 'Here I am'

FADES-

It's fat boy callin' you, baby
I said, a-here I am
It's fat boy back in town.
