Just as i began to run
You came and stole my legs, Away
And why are only heros from the past in all
Cuz yesterday

(Is is the same for you)
It's not the same for me
(Is it the same for you)
Its not the same for me
(It's not the same for me)
Is it the same for you
(Its not the same for you)
I hope its not the same for you!!!

So I hold my breath 'til my heart explodes
Cause this is how it is and this is how it goes
You can steal my body but you can't steal my soul
Cause this is how it is and this is how it

Place the bed upon my fire
and save me from this world
I'm in
Cuz I dont even know myself
But my skin feels like
It don't fit

(Is is the same for you)
It's not the same for me
(Is it the same for you)
Its not the same for me
(It's not the same for me)
Is it the same for you
(Its not the same for you)
I hope its not the same for you!!!

So I hold my breath 'til my heart explodes
Cause this is how it is and this is how it goes
You can steal my body but you can't steal my soul
Cause this is how it is and this is how it

This is, how it, it goes

This is, how it, it goes
This is, how it, it goes
This is, how it, it goes

Unscrew my head
And rinse it out
Polish my thoughts
Turn into doubts
Unscrew my head
And rinse it out
Polish my thoughts
Turn into doubts

So I hold my breath 'til my heart explodes
Cause this is how it is and this is how it goes
You can steal my body but you can't steal my soul
Cause this is how it is and this is how it goes
