Life isn't easy from the singular side  
Down in the hole some emotions are hard to hide  
It's your decision it's a chance that you take  
It's on your head it's a habit that's hard to break  
Do you need a friend? Would you tell no lies?  
Would you take me in? Are you lonely in the dark?

In the dark  
In the dark  
In the dark

You never listen to the voices inside  
They fill your ears as you run to a place to hide  
You're never sure if the illusion is real  
You pinch yourself but the mem'ries are all you feel  
Can you break away from your alibis?  
Can you make a play? Will you meet me in the dark?

In the dark

In the dark  
In the dark  
In the dark  
In the dark

Don'tcha need me...hey, hey  
Don'tcha need me...oh yeah  
Don'tcha leave me...hey, hey  
Don'tcha need me...oh yeah

You take no int'rest no opinion's too dear  
You make the rounds and you try to be so sincere  
You guard your hopes and you pocket your dreams  
You'd trade it all to avoid an unpleasant scene  
Can you face the fire when you see me there?  
Can you feel the fire? Will you love me in the dark?

In the dark  
In the dark  
In the dark  
In the dark  
In the dark

In the dark  
In the dark  
In the dark
