its too late to say what your doing is killing me
now too soon to pay
where i willingly
where you stand there with somebody else
by yourside
while, the man inside of me
has died
died
died

somebody give me a mirror
so i can check myself
a reflective jumpkick
back to reality

its a shock to my system
called you on your own
cause you mean so much to me
I dont want things to change but how
can things forever stay the same
cant invision where this is going

somebody give me a mirror
so i can check myself
a reflective jumpkick back
to reality

ahhhhhhhhhhhhh
ahhhhhhhhhhhhh
ahhhhhhhhhhhhhhhhh
ahhhhhh
ahahhhhhhhhaaaaaaa

Ahhhhhhhhhhhhhhhhhhhh!
Ohhhhhhhh
whoaaaaaaaaahhhhhhhhhhh
no no no no!
whoaaaaaaaaahhhhhhhh
